## Software and Printer Support

### Technical Support

How can we help? Please tell us about the issue you are experiencing. Provide as much detail as possible, including the product name and application. If this is a "line-down" emergency, please indicate that within your message.

Technical support problems typically are handled and resolved in one business day. We understand that your issue is important and we are committed to respond to all inquiries in a timely manner.

For technical support, please fill out the ID Support form (<https://www.hellermanntyton.us/id-support>).
